CAREER OBJECTIVE

Creative and detail-oriented Frontend Developer with expertise in HTML, CSS, JavaScript, and modern frameworks like React.js. Passionate about crafting responsive, user-friendly web interfaces that deliver exceptional user experiences. Seeking an entry-level opportunity to contribute to innovative web projects and grow within a collaborative development team.

EDUCATION
Bachelor's Degree

1. K. College, LNMU University

FEATURED PROJECTS

☀️ Weather App
Technologies: HTML • CSS • JavaScript • OpenWeatherMap API
Developed a fully responsive weather application with real-time data integration.
Implemented dynamic weather displays with temperature, conditions, and visual icons.
Optimized for mobile and desktop viewing experiences.

✅ To-Do List App
Technologies: HTML • CSS • JavaScript • Local Storage
Built an interactive task management system with persistent data storage.
Features include task creation, deletion, completion tracking, and data persistence.
Designed with an intuitive user interface and smooth interactions.

🔢 Calculator App
Technologies: HTML • CSS • JavaScript
Created a responsive calculator with a clean, modern UI design.
Supports all basic arithmetic operations with error handling.
Optimized for both desktop and mobile devices.

🏡 Villa Website
Technologies: HTML • CSS
Designed an elegant landing page for a luxury villa showcase.
Integrated an image gallery with responsive design and a contact form.
Focused on visual appeal and user engagement.

☕ Café Website
Technologies: HTML • CSS
Developed a mobile-first website for a fictional café business.
Featured menu showcase, contact information, and brand storytelling.
Emphasized responsive design and accessibility.

CORE STRENGTHS
Technical Excellence
Deep understanding of modern UI/UX design principles.
Proficient in responsive web design and cross-browser compatibility.

Problem Solving
Quick learner with strong analytical and debugging capabilities.
Passionate about writing clean, maintainable, and scalable code.

Collaboration
Team-oriented professional with a positive attitude.
Eager to learn new technologies and contribute to project success.
